Placement Options

## PLATFORM SEAT DECKING

A low problematic design that doesn't skimp on ergonomics, the platform seat and webb seat are more cost-effective options, so someone with a smaller budget can still get exceptional comfort.

## SPRING SEAT DECKING

The spring seat decking option is an option. Springs provide a more dynamic reflex than solid platform decks.

MKLD has chosen the finest selections of fabrics and vinyls available . Bright vibrant solids, beautifully combined stripes and magnificent prints will enhance the beauty of your furniture as well as your entire establishment. The breadth of our product line and ability to custom fabricate provide you with an affordable choice. MKLD can custom design furnishings to meet your exacting specifications, and because we provide all components of your furniture package (booths, tables, bases, chairs & barstools) we will be consistent and on time. MKLD is one of the Market Leaders in restaurant & hospitality furniture. We are a manufacture of standard and custom commercial furniture for any restaurant, cafe, nightclub, casino, office, hotel...or any hospitality facility.

Our wood veneer booths are available with or without seat cushions. Custom colors and sizes are also available. Our extensive range of custom restaurant & hospitality booths, booth seating banquettes are manufactured to meet your exact space and style requirements. With an emphasis on quality, our booths are perfectly suited for any foodservice & hospitality environment. Manufactured in the USA, MKLD booths & banquettes are ideal for restaurant, diners, lobbies, hotels and many other public spaces.
